

Pre-Screening Questionnaire Downtown Centre

Is the person presenting with?

1. Fever, and /or new onset of cough or difficulty breathing.
2. Travel outside of Canada
3. Close contact with a confirmed or probable case of COVID-2019.
4. Close contact with a person with acute respiratory illness who has travelled outside of Canada in the last 14 days.

If the answer is yes to any of these questions above, we are suspending supports and asking the person supported to seek medical care and contact the Windsor Essex Public Health Unit and follow their advice, which may include a 14-day isolation period.
