# GREAT STYLES, TOP BRANDS AT AMAZING PRICES

You are eligible to receive a discount on eyewear as part of your access to our national preferred provider optical network, regardless of whether you have vision benefits.

With over 150 in-store optical departments in 7 operating banners across the country, we are committed to servicing the diverse markets and customer preferences of Canadians with a distinct yet integrated offering.

As part of Loblaw Companies Limited continued health and wellness offering to our customers, our in-store optical departments offer complete optical products and services including:

- Licensed Opticians and Optometrists
- Arranging eye exams
- Over 700 frame styles starting from \$19
- Brand name frames like Marc by Marc Jacobs, Nine West, Guess and more
- Comprehensive selection of lenses including the latest digital technology
- Complete line of contact lenses with no fitting fees
- Direct billing to many 3rd part insurance carriers
- On-site lab, many prescriptions can be completed in an hour
- 2-year warranty on most frames and lenses
- Large selection of safety frames

Visit your store online, then click the "Health & Wellness" tab to find a location near you.
